### OLD BUSINESS

Regional Award Nominations - Please start your applications for NAAE ASAP. They are time consuming and due in April. You need to brag about yourself and your program.

The Silent Auction will end at noon tomorrow. The money goes to the Intern scholarship fund.

### NEW BUSINESS

Summer PDI Conference will be June 20-22, 2022 in Lansing at the Radison. The committee is hoping there is a baseball game. Please contact Brian Kiesling or any Region IV members if you have any suggestions.

New Committee Structure - Starting this fall, we will be using a new committee structure similar to nationals. Each committee will be meeting via Zoom two times a year. Each region will be responsible to fill their committee seats. The seats will be for a three year period. One board member will chair each committee until a new chairperson is elected. Please email Vicki Yackle at [vyackle@badaxeps.org](mailto:vyackle@badaxeps.org) with your committee representatives.
